Promoting and protecting the health of the public and the environment.

Notification of Public Notice

Enclosed are public notices issued by the SCDHEC Office of Ocean and Coastal Resource Management. All interested parties are allowed 30 days for major developments and 15 days for minor developments after receipt of the public notices to file written comments to the OCRM pertaining to the applications. Only those comments received within this period must be reviewed by the OCRM in processing the permit application. Any person wishing notification of the initial OCRM decision on any specific public notice must make written request within the designated review period for that public notice.

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

July 14, 2005

Permit Number: OCRM-05-152-M
Permit ID: 52660

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Eva Abbate
C/O Kennerty Surveying, Inc.
151 Ashley Hall Plantation Road
Charleston, SC 29407

LOCATION: On and adjacent to Bohicket Creek at 3884 Betsy Kerrison Parkway, Charleston, Charleston County, South Carolina.
TMS#: 202-00-00-031.

WORK: The work as proposed and shown on the attached plans consists of constructing a dock. Specifically, the structure will have a 4' by 450' walkway with handrails leading to an 8' by 10' covered fixed pierhead. Channelward of the pierhead, a ramp will lead to a 4' by 10' floating dock. The applicant also proposes to install a 10' by 10' four-pile boatlift on the upstream side of the proposed fixed pierhead. The purpose of the activity is for the applicant's private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

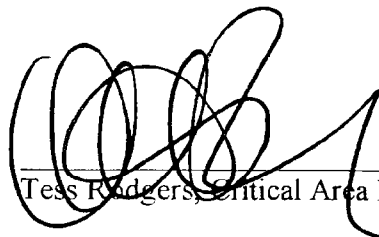

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before July 29, 2005. For further information please contact the project manager for this activity, Fred Mallett at 843-747-4323 ext. 119.

PERMIT APPLICATION PUBLIC NOTICE

July 14, 2005

Permit Number: OCRM-05-163-M
Permit ID: 51718

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Dwight E. Funderburk, II
C/O Heaner Inc.
P. O. Box 10
Greenwood, SC 29648

LOCATION: On and adjacent to Big Bay Creek at 3751 Docksite Drive, Edisto Beach, Colleton County, South Carolina.
TMS#: 354-04-00-050.

WORK: The work as proposed and shown on the attached plans consists of replacing and modifying an existing dock. Specifically, the existing dock will be replaced with a 4' by 55' walkway with handrails which will be relocated and attached to the downstream side of the existing 20' by 20' fixed pierhead. Channelward of the pierhead, the remaining section of walkway will lead to a 3' by 20' access ramp and a 10' by 20' floating dock relocated 20' channelward of its' existing location. The purpose of the activity is for the applicant's private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. **SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

July 14, 2005

Permit Number: OCRM-05-169-M
Permit ID: 52746

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Joseph Bowie
C/O Sea Island Constructors
4061 Tom Point Road
Yonges Island, SC 29449

LOCATION: On and adjacent to an unnamed tributary of Bailey Creek at Lot 7, Middleton Point Lane, Middleton Plantation Subdivision, Edisto Island, Charleston County, South Carolina.
TMS#: 028-01-00-064.

WORK: The work as proposed and shown on the attached plans consists of constructing a dock. Specifically, the structure will have a 4' by 337' walkway leading to a 10' by 10' covered fixed pierhead, both with handrails. On the upstream side of the pierhead a ramp will lead to a 10' by 10' floating dock. The applicant also proposes to install a 13' by 13', four-pile boatlift landward of the proposed floating dock. The purpose of the activity is for the applicant's private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

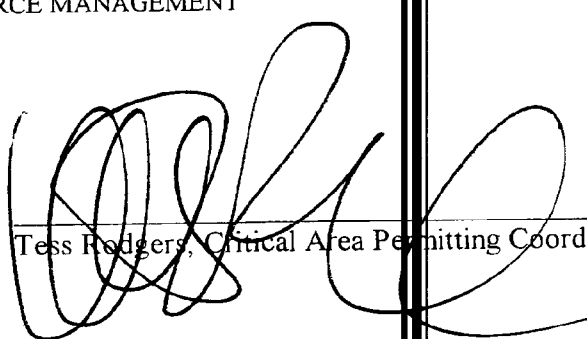

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. **SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

July 14, 2005

Permit Number: OCRM-05-180-Z
Permit ID: 52802

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Vincent F. Flowers
c/o Matthew Kizer
1405 Palmetto Blvd
Edisto Island, SC 29438

LOCATION: On and adjacent to Bailey Creek at Lot 39 Crawford Island Lane, Bailey Island, Edisto Island, Charleston County, South Carolina
TMS#: 013-00-00-021.

WORK: The work, as proposed and shown on the attached plans, consists of constructing a private dock. A 4' x 50' walkway with handrails will lead to a 15' x 20' covered fixed pierhead, with a 10' x 20' floating dock on the ebbside of the pierhead. The applicant also proposes to construct a 14' x 14' four-pile boatlift landward of the structure. The purpose of the proposed activity is for private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

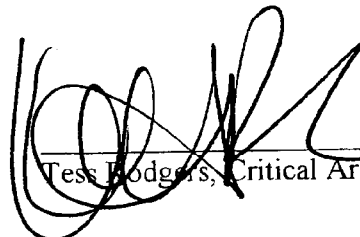

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before July 29, 2005. For further information please contact the project manager for this activity, Tara Maddock at 843-747-4323 ext. 158.

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

July 14, 2005

Permit Number: OCRM-05-196-J
Permit ID: 52617

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: City of North Charleston
C/O Davis & Floyd, Inc.
P. O. Box 61599
Charleston, S. C. 29419

LOCATION: On and adjacent to Cooper River at the end of Everglades Dr., North Charleston, Charleston County, South Carolina.
TMS#: 400-00-00-004.

WORK: The work, as proposed, consists of the replacement of an existing stormwater drainpipe that has deteriorated beyond repair. The applicant proposes to place an 18" reinforced concrete pipe in the location of the existing pipe and its protrusion beyond the critical area line will match the contours of the embankment as it currently exists. This project is a candidate for the U. S. Army Corps of Engineers Nationwide #3 authorization. The purpose of the proposed activity is to provide continued drainage of an area of the city's Riverfront Park on the former Naval Base.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

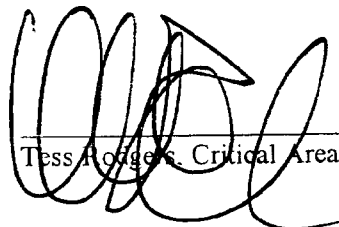

To assure review by OCRM, comments regarding this application must be received by OCRM on or before August 14, 2005. For further information please contact the project manager for this activity, Curtis Joyner, Manager of Critical Area Permitting at 843-747-4323 ext. 115.

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

July 14, 2005

Permit Number: OCRM-05-198-M
Permit ID: 52367

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: James H. Timms
720 Montague Avenue
Greenwood, SC 29649

LOCATION: On and adjacent to Frampton Inlet Creek between Lots 3-A & 4 Eddingsville Beach Road, Edisto Island, Charleston County, South Carolina.
TMS#: 076-00-00-277 & 076-00-00-278.

WORK: The work as proposed and shown on the attached plans consists of constructing a dock. Specifically, the structure will have a 4' by 940' walkway leading to an 8' by 8' covered fixed pierhead, both with handrails. On each side of the fixed pierhead an access ramp will lead to an 8' by 10' floating dock. The purpose of the activity is for the applicant's joint recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

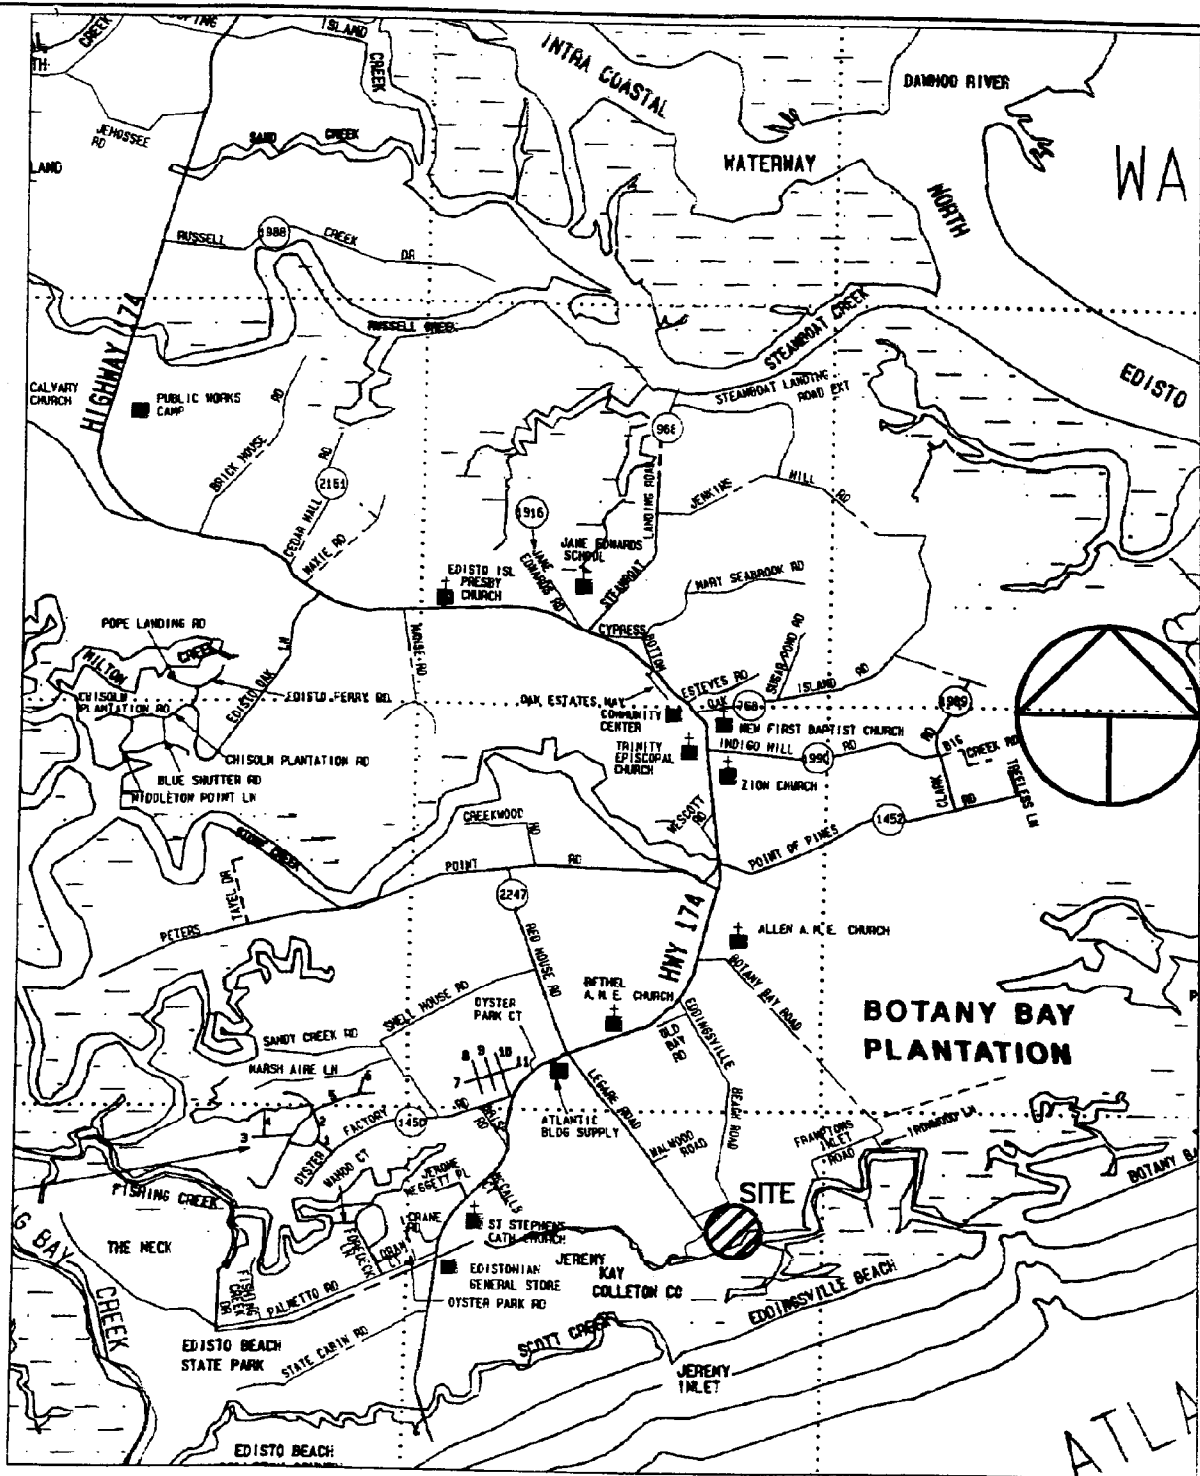

To assure review by OCRM, comments regarding this application must be received by OCRM on or before July 29, 2005. For further information please contact the project manager for this activity, Fred Mallett at 843-747-4323 ext. 119.

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

July 14, 2005

Permit Number: OCRM-05-202-R
Permit ID: 52885

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Ruth N. Waters
5584 Frisco Lane
Johns Island, SC 29455

LOCATION: On and adjacent to Church Creek at Parcel D - Frisco Lane, Johns Island, Charleston County, South Carolina.
TMS#: 220-00-00-117.

WORK: The work as proposed and shown on the attached drawings consists of constructing a dock. The applicant seeks to construct a 4' x 341' walkway, with handrails, leading to a 12' x 12' covered pierhead. Floodside, a 10' x 40' floating dock and a 5' x 20' jet dock are proposed. The work as described is for the applicant's private, recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

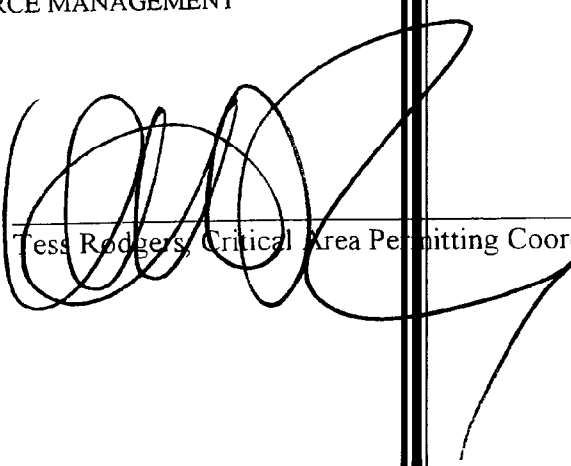

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before July 29, 2005. For further information please contact the project manager for this activity, Tess Rodgers at 843-747-4323 ext. 116.
